Rev. R. Douglas Fraser,

Gerrard and Church Street,

Toronto.

Dear Dr. Fraser:

As you remember the Assembly in re-appointing the Church Union Committee gave it no funds and its instructions were in accordance with the irenicon that there should be no propaganda. I am afraid therefore for these two reasons, the lack of funds and the charge lest we should be entering upon propaganda, we should not undertake to issue the statement as Mr. McKinley requests. It is wiser for us to let things go on quietly.

With kind regards, I am,

Yours sincerely,

President.
